

IGAMES GIVES BACK TO HOLIDAY SHOPPERS

Savage: The Battle for Newerth To Be Offered at Special Promotional Price of \$29.99 For The Holiday Season

Hoboken, NJ (December 8, 2003) – iGames Publishing announced today that their critically acclaimed real-time strategy shooter *Savage: The Battle for Newerth* will be available in stores nationwide for a promotional price of \$29.99 this holiday season.

“We wanted to give back to the gaming community by offering *Savage* at a special low price,” said Rick Bosch, CEO of iGames Publishing.

Savage shipped to retail stores nationwide in September and has garnered rave reviews from the gaming community. The demo, released in October has been downloaded by over 300,000 gamers. Set in a unique fantasy world eons from now, *Savage* transports PC gamers to the next level in multiplayer gaming. The result is a truly unique gaming experience that enables the player to opt for either the fast-paced, run-and-gun action of a FPS (playing as a Warrior) or the more cerebral and tactical planning of a RTS (playing as a Commander). Because *Savage* offers fully developed aspects of each genre, players must work together as a team in order to defeat their opposition.
